## ABOUT EDC

Entrepreneurship Development Cell, NIT Durgapur is the institution's official independent Entrepreneurship promoting student body. Our mission is to build an entrepreneurial environment on the campus by encouraging and mentoring the students to become job creators rather than job seekers and help ORI accelerate the economic development of our country.

Through many initiatives throughout the year, we remain steadfast in our dream of creating a sustainable and diverse entrepreneurial ecosystem.

# SUMMIT

CONCEPTUALIZING CREATION 23

## ABOUT IIIC

Innovation and Incubation Council, NIT Durgapur is NIT Durgapur's very own incubator, established under the Ministry of Education, Govt. of India. EDC, NIT Durgapur is an integral part of IIIC, NIT Durgapur. It works together with the faculty members of IIIC to carry out various entrepreneurial activities and projects on campus. It is an interface to foster innovation, explore the trends in the digital world and promote commercialization and technology.

## OUR VISION

E-Summit is the second largest event of this scale in eastern India. Our visions are global, but rooted in Indian aspirations of growing, empowering and helping shape the era of job creation in India.

We aim to contribute towards reigniting the entrepreneurial spirit in the common man, and solve a multitude of problems effectively with innovation. Thus, with faith and will, we here at EDC have embarked on this effortful but thrilling journey: to help shape a more prosperous India and world.

# E-SUMMIT

E-Summit is the annual entrepreneurial event hosted by EDC, NIT Durgapur. It is the second largest such event of this scale in eastern India. With such immense participation, E-Summit aspires to herald a new era of job creation and new-age entrepreneurship in India. Spanning 10+ exciting events, workshops, E-Talks, quizzes, internship fairs and more, E-Summit attracts tremendous participation from prominent industry stalwarts and students alike. This year, we are excited to bring to you the 6th edition of E-Summit on 03-05 March 2023. E-Summit '23 aims to celebrate the creative minds of our country and expose them to the world of founders, CEOs and creators.

# SUMMIT

CONCEPTUALIZING CREATION 23

## E-TALKS

E-SUMMIT '22 was a major success, with outstanding participation from students hailing from various premier colleges across India. E-Talks, throughout the years, has been one of the most popular segments of the summit, where many illustrious and esteemed speakers like CEOs, founders and successful YouTubers come to inspire and talk about their journey and ideas. E-Talks has been honoured to have hosted prominent speakers like Ms Kiran Bedi, Mr. Barry Minkin (Owner, Minkin Affiliates), Mr. Aman Dhatarwal, Ms Prajakta Koli (MostlySane), Mr Love Babbar, YouTubers Abhi and Niyu, Mr Satish Ray and more.

## OUR EVENTS

### Pitch Fest and Startup Expo

Pitchfest is one of the most important events conducted by EDC. It is a platform for students from all across India to present their creative business ideas before a PIT panel of renowned judges, mentors and investors with the chance to gain funding and mentorship from the industry experts. It is the perfect opportunity for students to pitch themselves and get a practical experience of true entrepreneurship. E-Summit'22 saw a plethora of brilliant ideas from students across several colleges, putting up a tough competition for the top spots.

Startup Expo is an exhibition of some of the most invigorating startups that can be seen in the market today. It is the perfect opportunity for students to gain exposure and establish contacts with the exhibits. Not just students, who can be brought into the fold, but the startups themselves stand a chance to gain a lot from the event in the form of tremendous funding from investors. E-Summit'22 had a wide spectrum of startups as well as a huge range of investments that were made.

## OUR EVENTS

### RANNIT-E

Rannit-E is a case study challenge that tests one's ability to think out of the box and have a keen presence of mind. Participants are made to step into the shoes of a CEO in charge of steering a company out of a crisis by making shrewd, calculated decisions. Participants then present their solutions in front of incredibly accomplished guests and prove their "Ranniti".

### Internship Fair

Internship Fair gives students a chance to intern at startups for various profiles including web development, content writing, digital marketing, etc. E-Summit '22 saw tremendous participation and several successful applications from all years alike. This event gave students not just exposure but also insight on what goes on behind interview walls and posed as the perfect challenge to help develop their skills.

## OUR EVENTS

### RING OF RIVALS

Ring of Rivals was organized to help promote the Gaming Content Creation Industry. Gamers competed to earn a chance to fight some of the best gaming streamers in the country and prove their mettle in front of the world. Through the donations made on streams, the event managed to raise a huge sum to support the Bihari More Education Project (BMEP), which assists underprivileged children. The event is a must attend for all gaming enthusiasts who wish to turn their interest into not just an invigorating experience but also a beneficial cause.

## OUR REACH

The Entrepreneurship Development Cell, NIT Durgapur boasts a cumulative 7500+ followers across social platforms - Instagram, Facebook, LinkedIn and Youtube. With a reach of over 15,000+ students all across India, the past editions of E-Summit have witnessed an exponential rise in participation over the years with E-Summit '22

With the immense success of E-Summit 5.0. we expect to see an even bigger footfall this year, taking into account the offline appeal of an event of such magnitude.
